

# Public Feedback On Update to Region's Metropolitan Transportation Plan *Future Mobility 2050*

The Augusta Regional Transportation Study (ARTS) invites you to review and comment on the draft Metropolitan Transportation Plan (MTP) update, *Future Mobility 2050*

The draft 2050 MTP details how ARTS Metropolitan Planning Organization aids in the planning, building, managing and maintaining our region's transportation system. \$3.1 billion of revenues are estimated to address more than 300 transportation related projects over the next 30 years. The projects in Richmond, Columbia, Aiken and Edgefield counties range from capacity adding; safety/operational; transit expansion; aviation connectivity; bridge replacements; and, the extension of multiuse bike paths and sidewalks.

Draft 2050 Metropolitan Transportation Plan, comment forms and the interactive project map can be found here:
